**Subject:** M6H1 - Harvey Response; Response Manager for FEMA/ACE  
**Date:** Monday, September 4, 2017 10:57:34 AM

---

Hi all,

The US ACE folks, cc'ed here, are working with FEMA and are looking to access Response Manager data for Drinking and WasteWater system information. I wasn't sure exactly who would be the best contact for that, please pass on as necessary.

Frank and Kin, please coordinate with the Weston Solutions, Matt, and Eric to get the DW and WW info you need.

Thanks,  
Meaghan
